Doct^r. Gray

Dear Sir

You Letter inclosing that of Mr. Dickinson arrived duly but I deferred answering it until I could procure a letter advertised in the Evening Post — I rec^d. it to day & it proved to be my appointment from Washington, so my uncomfortable suspense is at an end —

Please give my resp^ts. to Mr. Reynolds — I shall visit N York in about a Week from now and will call upon you

With Respect Yours sincerely
